

## **ANTIQUES & ART FAIR LUXEMBOURG 2019 - Press Release**

### 45<sup>th</sup> Antiques and Contemporary Art Fair

Since 1973 and for four days, Luxembourg will regain its status as the capital of the ancient and modern arts of the Greater Region.

This new edition brings together around a hundred international art and antiques galleries from the Grand Duchy, Belgium, France, Germany, the Netherlands and Italy.

Fans and amateurs will find furniture, art objects, silverware, engravings, paintings, lighting, carpets, modern and contemporary art, jewellery, ceramics, glassware and design.... The opportunity to discover and acquire artistic objects steeped in history.

Mixing styles, periods, materials and colours to create favourites is the ambition of the organizers. The current trend driven by art and decoration magazines is resolutely setting the tone for eclectic alliances.

Three experts are at the disposal of the visitors to advise them on their purchases.

To guarantee the best possible welcome and offer comfort and friendliness to visitors, rest areas, a wine bar and a quality catering service will be present at the heart of the fair.
